SIDREA FORUM

ACTING IN AN INTERNATIONAL ACCOUNTING RESEARCH SETTING

THURSDAY 16TH OF JUNE 2010
FROM 1.00PM TO 6.00PM

The SIDREA international forum is designed for interaction between experienced international accounting researchers and Italian academics. Participants will be exposed to contemporary ideas concerning publishing in international journals, obtaining research grants, current research methods and the involvement in international conferences.

This afternoon programme includes experienced Italian and international keynote speakers both in panel forums and individual presentations. The session concludes with an open forum to discuss the challenges for acting in an international research setting.
